

HILLER
TRUCK TECH Inc.

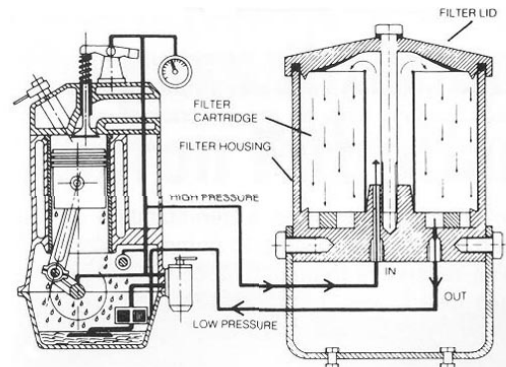

Saving Fuel and the Environment

2-4 times longer on oil changes

*uses a 1 micron filter
to filter out unwanted particles
leaving the oil cleaner longer
(standard filter 25 micron)*

- ✓ Highly effective by-pass filter
- ✓ Eliminates water, suppressing the formation of sulphuric acid
- ✓ Removes dirt and contaminants
- ✓ No need for frequent costly oil changes
- ✓ New cartridge is only \$28.50
- ✓ Good for the environment, less used oil to dispose
